

MTL™ 600

SUPERIOR PROTECTION LOCKING SOLUTION

MTL™ 600

SUPERIOR PROTECTION LOCKING SOLUTION

The MTL™ 600 locking system provides you with the superior security you want, and the flexibility your business needs.

With vast experience and proven technologies, Mul-T-Lock developed MTL™ 600, a locking system designed to address evolving security needs by combining several technological elements.

MTL™ 600 complies with international standards, ensuring you enjoy peace of mind when securing your valuable assets.

MULTI-LAYERED PATENTED TECHNOLOGY

Mul-T-Lock develops and designs locking systems to meet the evolving needs of each organization, while prioritizing high-security and technological innovation for secure and reliable locking solutions.

ENHANCED KEY COPY CONTROL

MTL™ 600 comes with a unique magnetic card that should be presented to an authorized Mul-T-Lock dealer when additional keys are needed.

10 telescopic pins tumbler mechanism for a robust internal structure

A patented floating element on the key interacts with a unique oval pin in the cylinder for enhanced tamper resistance and key control.

AntiBacterial

MTL™ 600 is available in AntiBacterial Keys.

ITS ALL ABOUT YOUR SAFETY.
ASK US ABOUT OUR ANTIBACTERIAL KEYS.

POWERFUL MASTER KEYING CAPABILITIES

Mul-T-Lock Master Key Systems are smart, expandable, and effective keying solutions. MTL™600 based master key systems provide organizations with access control while reducing on the number of keys in circulation.

Our professionals will help you design, build and maintain a highly effective and efficient Master Key System. You will have a uniquely designed locking solution to meet your facility's every need.

MASTER KEYING
OPTIONS

FLEXIBLE AND CONVENIENT

Balance control with convenience with a key system that responds to a wide variety of needs, even as they change.

Available in various formats, MTL™600 can fit into all home locking products, giving you protection where you need it, while ensuring maximum convenience.

From re-keying to access control, MTL™600 ensures your entries are conveniently secure:

Keyed Alike Access multiple doors with a single key

Keyed Different Access each door with a different key

3-in-1 Keying Instantly change a lock's combination up to 2 times by simply turning a key

Master Keying Access one, many, or all doors, depending upon the key holder's authorization level

ABOUT MUL-T-LOCK®

For nearly five decades, Mul-T-Lock® has been a worldwide leader in developing, manufacturing and marketing high-security access solutions for institutional, commercial, industrial, and residential applications.

We provide a wide range of high-security and high-quality locking solutions. The company holds dozens of international patents for our innovative user-friendly products, which provide safety, security, and convenience to millions of people across the world.

Mul-T-Lock® is fully owned by the ASSA ABLOY Group, a global leader in access solutions with a proven track record in helping billions of people experience a more open world through innovations that enable safe, secure and convenient access to physical, and digital places.
